

Belong, Believe & Become.

Belong. Little Women is a place for girls to belong. It is a safe place where girls can be sure they will be loved and accepted. Ultimately, we want Little Women to be a place where girls find their security and identity as a child of God.

Believe. Little Women is a place for girls to grow in their understanding of God and in their relationship with Jesus Christ as their Savior. Little Women is a place where girls are reminded that they are fearfully and wonderfully made by the Creator of the universe - and that they are loved beyond measure. Little Women is a place where girls will learn that regardless of what happens in their life - God is faithful - and they are never alone!

Become. Little Women has an intern Program for young women to learn how to serve the Lord and their community. These young women (7th grade and up) help to teach, mentor, plan activities and serve as role models for the girls throughout the evening. Girls interested in serving should contact Katie at KVKCOVERT@gmail.com

Little Women Tuition

A completed registration form is required for all girls to participate. The tuition fee of \$100 covers our monthly dinners, crafts, activities and a t-shirt for the year. It is our desire for all girls interested to be able to attend, if the cost poses a financial hardship, please contact Katie: kvkcovert@gmail.com.

Girls are encouraged to bring guests. However, we ask that if their guest would like to come more than twice that they register for the program.

Meal/Allergies

We prepare a meal for over 100 girls, young adults and adults on a monthly basis. We are not equipped to be able to accommodate those with food allergies or with special dietary requirements. It is our wish for all to participate, so we strongly encourage parents of girls with food allergies or special dietary requirements to provide a proper meal for them and bring it to Little Women. We will make sure your daughter(s) receives it. For those needing this option, your tuition fee will be reduced to \$60 per girl for the year.
