

What We Do

Nursery: For infants, we seek to provide an atmosphere that is safe and nurturing. We have nursery staff and volunteers who are committed to spending one-on-one time with your infant, showing them God's LOVE.

Toddlers and Preschool/K: For toddlers, 2-3 years old, and Preschoolers and Kindergartners, 4-5 years old, we weekly provide simple Bible stories, crafts and songs that teach of God and His Word, in a safe environment with staff and volunteers that LOVE Jesus and LOVE children!

Healthy Revive Kids

We would like to keep Revive Kids healthy all year long, so please use the guideline below in determining whether or not to bring your child each week.

- **Common Cold:** Any child with a heavy cold and hacking cough should be kept at home.
- **Fever:** Children should be kept at home until they have been free of fever for 24 hours.
- **Rash:** Do not bring your children to class with a rash until a doctor has said it is safe to do so.
- **Stomachache/Vomiting/Diarrhea:**
- Children should be kept at home for 24 hours after vomiting and fever, and at least 24 hours after diarrhea has stopped.

Snack: Pepperidge Farm Cheddar Goldfish will be served as a snack during this program. Please provide a snack for your child(ren) if they cannot have Goldfish.
